To have this template prefill correctly, it is

## WiSACWIS Release 3.5 Template Notes

### Forms

necessary to launch this template. However, If a county chooses not to use this template, they can disregard the warning message to launch the template before saving by clicking 'OK'. If ok is selected and the intake is created or linked to a case, the template may not have complete and accurate information.

If a county is using this template and the warning message appears, they need to click 'Cancel', and launch the template. Launching the template guarantees accuracy of prefilled data.
